- Just ONE of your accounts that you attacked me with, then sent me the song I sent you in July to help you feel better, as if to say I better shut up go away or MY WISH FOR YOU wasn't true. But wait, there's more from your LIMITLESS Accounts [pic.twitter.com/TqZMBEbM44](https://pic.twitter.com/TqZMBEbM44)

- You use this account to try to hush me & mediate things between Doug and I. Why?? You brought in Abyss to white knight & get me to turn Doug & Lia into FBI for cyber stalking. I knew when you told me you had ATLEAST 100 accounts it meant thousands

- Then when I didn't believe your autumn sock and called out the Larp with her and the others; you send autumn back to be your cruel self. Most likely during a drunk episode that I'm very familiar with having been on the receiving end in google hangouts, phone calls & texts
